1930 Norton Model 18 500cc OHV. In excellent condition having been fully restored by the previous owner who is an engineer. Every item of the bike has been restored, rebuilt engine and gearbox. Wheels tyres and brakes complete, mag and dynamo, chains and sprockets. Runs and rides as it should. Only 4 miles covered since the restoration was finished so will need running in. VMCC dating certificate states the frame number is for Dec. 1930, so is Vintage and Banbury run eligible and the engine number is for 1933. A rare model and a great investment !
