NOW SOLD**

Engine Size: **350cc**

Odometer: **61322 miles**

Registration: **713 AFD**

£TBA

1960 Norton Model 50 350cc. In great condition with matching engine and frame numbers. These original featherbed frame model 50's are very rare! Many of them were used for Tritons due to their frames and their smaller cc engines making original once hard to find. Starts easily with a smooth engine. Very well looked after by the previous keeper who was an engineer. Comes with a good file of receipts, Mot's and also with its original old buff log book. A fantastic example of the model thats ready to ride and enjoy!
