FOR SALE**

Engine Size: **550cc**

**£6,995**

1976 Suzuki GT550. This is a UK example from new and Looks to be in very good original condition. Has been fitted with expansion chamber exhaust system which makes an excellent sound as can be heard in the video. Comes with a log book V5C and maintenance manual. Runs well, the kick start doesn't return very well but start ok on the electric starter. Great fun and also a fantastic investment!
