1956 Triumph T20 Tiger Cub Plunger 200cc. This is a very rare plunger model in excellent condition looking to have been fully restored. An original UK bike from new with only 5 previous keepers. Comes with matching engine and frame numbers which have also been confirmed by the VMCC dating certificate. Comes with its original transferable registration number and good history which includes Old MOTs and Handbooks. Starts very easily and runs and rides well too. This is a rare opportunity to own a plunger cub, be quick as it looks like there isn't another one on the market! A Fantastic investment!
