NOW SOLD**

Engine Size: **250cc**

Odometer: **37184 miles**

Registration: **483 XUC**

£TBA

1955 BMW R25/3 250cc. Looks to be in all original condition with matching engine and frame numbers. First registered in the UK in 2007 where it was imported from Switzerland . Starts easily and runs well. These 250cc BMW classics are very collectable and not often seen in good original condition like this one. A fantastic investment.
