1957 BSA DB32 Gold Star 350cc. In excellent condition having been recently restored to a high standard. Recent work includes a gear box rebuild. Comes with an inspection report identifying the engine to be a 1955 DB32 GS and CB32 gold star frame, all other parts are confirmed to be original. Looks great with Allie flanged rims and stainless steel spokes. Runs great as can be see and heard in the video and it's also easy to start being the 350 model. A great investment, ready to ride!
