1959 BSA Rocket Gold Star Replica 650cc. In great condition and looking very attractive with Allie tank, Allie dunlop rims and vented twin leading front brake. The BSA has been subject to a full engine rebuild as seen in the photos which includes: Replacement crank with new bearings and cleaned out sludge trap, new pistons, barrels, timing gears with belt drive, valves, guides and much more (many SRM part were used). This is a very well sorted, high spec machine that now ready to ride and enjoy. A great looking bike and a fantastic investment.
