**1920 Sunbeam Gentleman's Touring
NOW SOLD**

Engine Size: **499cc**

Odometer: **29660 miles**

Registration: **DS 7947**

£TBA

1920 Sunbeam Gentleman's Touring Flat Tanker 3½hp SV 499cc . In great condition having been rebuilt a number of years ago by the previous keeper. In good mechanical and cosmetic condition. The lights work. It is also fitted with a period speedometer. The front disc brake, highly effective in modern traffic, bolts on and is operated from the original lever. The front caliper brake remains in place. It's been ridden on back country roads, to rally's etc. and even one Sunbeam testers run from the old factory in Wolverhampton into North Wales. A very rare bike and an excellent example of the model!
