1967 Triumph T120 Bonneville 650. This is an original UK example from new first registered on the 24.01.1967 with matching engine and frame numbers. Looks to be all original with Dunlop rims. Comes with its first original green card log book where one of the previous keepers owned the bike for 35 years.

Recent work carried out includes a top end engine rebuilt with +20 pistons and has also been re wired. Starts well for a 650 and runs as it should. An original bike and a great investment!
