1973 Triumph Trident 750 T150 V Hurricane Replica. In excellent condition with electric start. Comes with matching engine and frame numbers.

Starts easily and runs and rides great! The replicas are very popular as they are a lot less than the real thing priced at £30,000 +. Upgraded with front disc, hydraulic clutch and Sri - Spark Ignition. Recent top end rebuild with new pistons, including liners and head skim and pipes chromed. An excellent, individual machine and a great investment.
