**1977 Honda CB400 Four
NOW SOLD**

Engine Size: **400cc**

Odometer: **32391 miles**

Registration: **ROH 650R**

£TBA

1977 Honda CB400 Four. This is a Uk model with only 32391, the bike was completely stripped down, every single part was gone through and was either replaced with high quality parts from David silver spares or restored. Heres just a quick list of the main work that's gone on.

*Frame and various parts finished with a two pack paint.

Tank and panels colour matched sprayed new decals and lacquered.

Engine was glass bead blasted, rebuilt this included the highest quality oil, filter and spark plugs. The cam chain, and adjuster have been replaced valves and timing was also done. New oil filter

Suspension was fully renewed, new stanchions, seals and oil Rear springs replaced with new one's
Brakes are good for year

Wheels are running on new rims and spokes tubes, tyres are very good They are straight and true.

Carbs was ultrasonically cleaned, then fully rebuilt with high quality kits and air filter.

It smokes a bit on start up but this clears when warmed up. Over all a very nice example that's ready to ride!
