**Triumph Rickman Metisse  
FOR SALE**

Approximate Year: **1960**

Engine Size: **650cc**

**£7,050**

Triumph Rickman Metisse 650cc Rep Road Scrambler. Built with a 650cc Pre-unit Triumph 6T Thunderbird engine. It was first built for hill climbs, feels like its got high lift cams as the engine is very responsive, Currently running on Castrol R oil. Has recently been adapted for more road use with trials tyres, road back sprocket and Norton gearbox. It's not road registered and doesn't have a frame number. The engine sounds strong and is easy to start. A very clean example that ready to ride.
