1937 Triumph 500cc T100 Pre-War Replica . Starting life as a Triumph 6S, this T100 replica was created by its late owner around 2010/11 using many original pre-war T100 parts. Used for club runs and events thereafter. This is as good as the real thing and half the price. The V5C has been lost but a replacement can easily be obtained. Comes with dating certificate and photos prior to restoration.

Frame No: TH 1393
