1980 Moto Guzzi 1000SP SPADA (SP1). In fantastic condition having recently had a lined tank and repaint pale grey. New (original style) battery a few months back. Starts easily on the button ; Electronic Ignition. Oil tight. Recent sump clean and filter, oil change. 36k miles (believed true but miscellaneous paperwork only back to 2000, so mileage cannot be guaranteed. Seems original although forks may not be (just from appearance). MAG wheels have been re-silvered. Runs and rides very well with a fresh MOT. An excellent example thats ready to enjoy!
