**1964 Honda CB77  
NOW SOLD**

Engine Size: **305cc**

**£TBA**

Honda CB 77 Super Hawk 305cc 1964 . This Was Dubbed Hondas First " Landmark " Sports Bike! This Example Is A Beautiful , Well Restored Example , Of A Now Very Sought After Model . It's Quick ( 106 Mph ! ) , Smooth ; Lightweight ( 351 Lbs ) ; Easy To Manoeuvre And Very Reliable . The Restoration Was Completed Some 11,000 Miles Ago , So Now Well Run-In And Well Sorted. It Starts First Kick , Sounds Very Sweet , With A Very Mechanically Quiet Engine ; Ticks Over Lovely , Runs And Rides Extremely Well. It's 99 % Original ; Bar The Silencers , Which Are The Best Aftermarket Ones That Are Available.

The Paintwork , Is Very High Quality , As Is The Chrome . The Only Criticism We Have Is The Chrome Tank Panels ; As One Side Has Some Shallow Dents , That Really Does Let Down This Otherwise Stunning Look Of The Rest Of The Bike ! This Is An Easy Fix And Inexpensive To Remedy . Unfortunately We Are Extremely Busy , So Will Leave This Small Job To The New Owner . We Will Gladly Give You Our Chrome Platers Details , Who Do An Excellent Job And Are Very Inexpensive , Unlike The Other Rip-Off Companies That We Hear Of !
