**1947 Ariel Red Hunter
NOW SOLD**

Engine Size: **350cc**

£TBA

Ariel Red Hunter 1947 , Tele/Rigid , With Instruments In The Tank Panel. This Is A Lovely & Now Quite Hard To Find Example , That Was Restored Several Years Ago. The Paintwork Is Still Very Good And The Rechromed Rims ; Exhaust , Etc Has Seen Better Days , But Still Very Presentable , With A Lovely Chrome & Red Tank , With The Correct Instruments. These Early Post War Red Hunters , Are Relatively Lightweight Compared To The 50's Models & Prettier & Quite Pokey For A 350 Single . Once Set Up Correctly , Are Very Reliable Too .

A Rarer & More Desirable Model Than The Equivalent BSA B31 , So See This Before You Buy A Beeza ! If The Gear-lever ; Fork Nuts & Petrol Cap Securing Nut Were Rechromed , It Would Look Great , But We Are Too Busy To Do These Little Jobs ! It Has Good Compression & Turns Over , But As From A Deceased Estate , We Have Not Tried To Start It Yet , So Can Sell " As Is " For £4500 or Recommission & Sell For £5500 .. Your Choice ! As An Early Desirable Example ; A Very Good Investment & Good Fun Too . BARGAIN !
